Dear **Ms. YABWETSA**

Following your application for admission to undergraduate studies, I am pleased to inform you that you have been offered admission in the **FACULTY OF ARTS AND SOCIAL SCIENCES** for a course leading to the award of **BACHELOR OF ECONOMICS** commencing on **18-Aug-2025**.

On behalf of the University, I wish to congratulate you on this achievement.

This offer is made on the basis of your qualifications. The qualifications are subject to verification by the University authorities. Any information which may be found to be untrue will automatically lead to your disqualification and expulsion from the University. The offer is also subject to your acceptance of the following conditions:

- i. To adhere to the university Rules and Regulations.
- ii. To pay the tuition fee as required.
- iii. To use the library facilities responsibly and purchase all the text books and other material prescribed for the course unit in which you are enrolled.
- iv. To strictly abide by the Rules and Regulations in document JI/7A and JI/7B, if you choose to stay in the University accommodation.
- v. To provide the original KCSE certificate or result slip and a certified copy of the same for verification.
- vi. To identify yourself by producing the original National Identity Card/Passport (below 18 years, provide your birth certificate).

Please note that admission to the University does not guarantee you accommodation in the Halls of Residence. However, there is limited accommodation offered on first come first served basis on application through the student portal. You will, therefore, be required to make your private residential arrangements should you not be offered university accommodation.

If you accept this offer on these conditions, please sign acceptance letter JI/1A and return it to the University on the day of registration.

Attached are detailed joining instructions and the Bond for your information and necessary action before reporting to the University. The joining instructions duly executed, should be returned to the University along with the Acceptance Letter on the registration day.

Should you find yourself unable to accept this offer, please complete Form JI/1B of the joining instructions and return it to the Academic Registrar immediately with a copy to the Dean of the Faculty where you have been offered admission.

Following your placement in this institution, you are eligible for a Government Scholarship, Loan and Bursary to assist with your educational expenses. If you need Government financial support, you **MUST** make an application for consideration through the official website www.hef.co.ke. In case the Government Scholarship, Loan and Bursary do not cover the entire cost of your program, the deficit will be met by your parent/guardian.

I take this opportunity to wish you success in your studies at this University.
